JON UNDERHILL REAL ESTATE

No two real estate transactions are alike, and the agents at Jon Underhill Real Estate are committed to delivering an unparalleled level of customer service to each client. The unique group of dedicated and knowledgeable professionals work to provide a seamless real estate experience, which helps distinguish the firm as a leader in residential real estate, principal broker Brandy Harp says.

“We specialize in helping our clients buy and sell residential real estate, and we assist in every detail of the transaction, from the beginning to well past the closing,” she adds. “We ask, we listen, and we problem solve. We stay on top of changing marketing trends, and we constantly adapt to stay one step ahead to deliver positive results.”

The company predominately sells homes in central Arkansas to clients with diverse needs in price range, architecture style and amenities.

Although Jon Underhill Real Estate is a boutique company that offers highly specialized service, it is a high-performing firm. The company sold more than \$73 million in residential real estate in 2017 and approximately \$63 million in 2016.

Harp says she is pleased to announce the addition of five experienced realtors to Jon Underhill Real Estate, Donna Carlson, Kelly McConnell, Stephanie Fess Tharp, Sue Fess and LaJuana Whyte. These realtors bring extensive real estate knowledge and tenure to the company.

“Their way of doing business aligns perfectly with our mission of putting customer service at the forefront of everything we do,” Harp adds.

More than half of the agents at Jon Underhill Real Estate will receive a Realtor Award of Distinction for their multi-million dollar production in 2017. Brandy Harp and Jon Underhill will be recognized within the top producing tier of realtors exceeding \$14 million in production. Harp attributes her success in real estate to the mentoring she received from Jon Underhill.
